What is Crypto Trading?

Crypto trading means buying and selling digital currencies like Bitcoin, Ethereum, and others to make profit from price changes.

Simple Explanation

Just like gold or stock trading:

• You **buy crypto** at a low price 

• You **sell crypto** at a higher price 

 The difference = your **profit**

How It Works

1. Choose a trading platform (exchange)
2. Deposit money
3. Buy a cryptocurrency
4. Wait for price increase
5. Sell and earn profit

What is Forex Trading?

Forex trading (Foreign Exchange trading) means **buying and selling currencies** to earn profit from their price changes.

Simple Explanation

In forex, you trade one currency against another, like:

- USD / INR (US Dollar vs Indian Rupee)
- EUR / USD (Euro vs US Dollar)

You buy one currency and sell another at the same time

Example

You buy USD at ₹80

Later price becomes ₹83

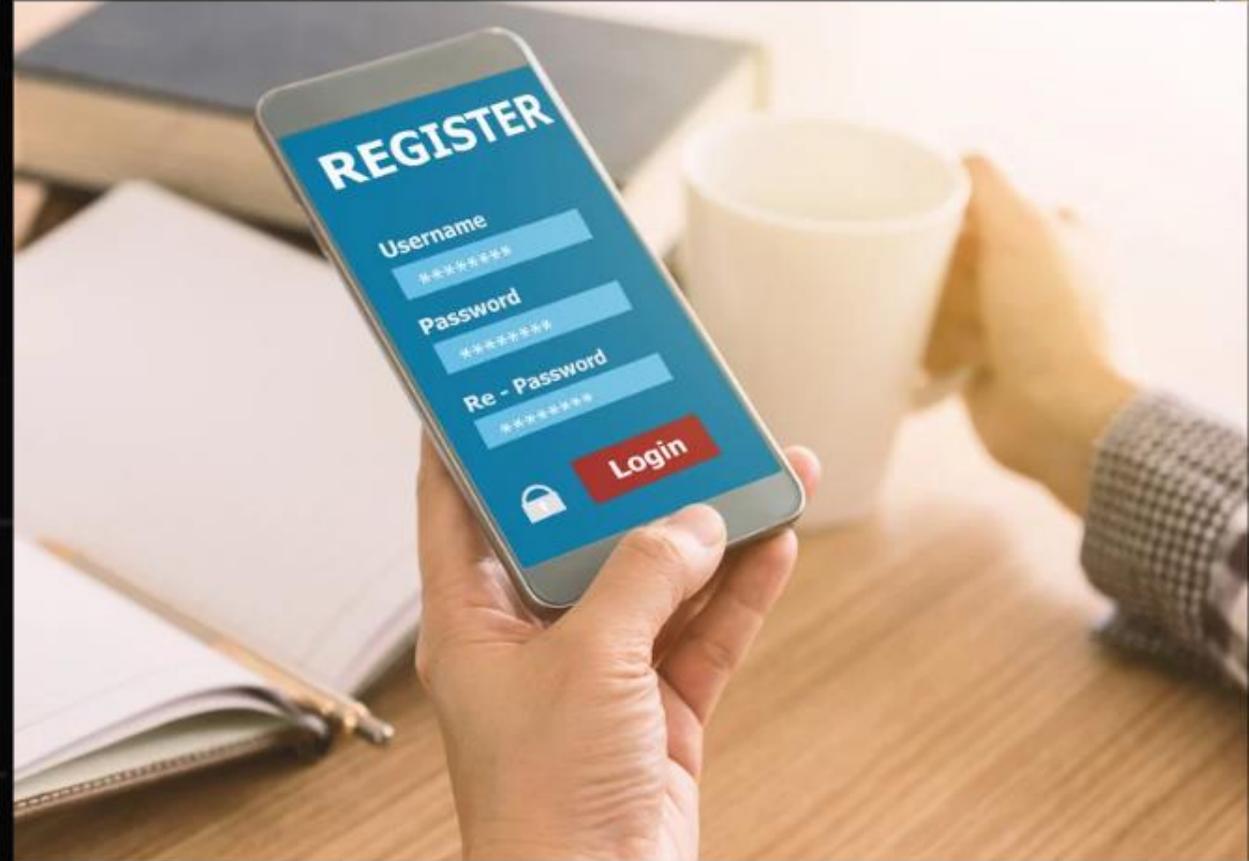

You earn ₹3 profit per dollar
